

STEPHEN F. AUSTIN STATE UNIVERSITY
GRADUATE SCHOOL

Senior Year Overlap Graduate Program

The following student is recommended for the senior year overlap program under which he/she may take graduate level courses to apply toward a graduate degree at SFA.

Name of Student _____ Date _____

S.S. # _____ Undergraduate Major _____

Expected Graduate Major _____

Overall undergraduate GPA to date _____

Undergraduate GPA in expected graduate major to date _____

Number of undergraduate SCH completed to date _____

We recommend this student for the senior year overlap program and understand that any courses he/she completes for graduate credit cannot be applied to his/her undergraduate degree program.

Approved: _____
Department Chairmen

Academic Dean

To be eligible for the Overlap Program, a student must be enrolled at SFASU and must have achieved at least ninety (90) semester hours of undergraduate credit. A student with fewer than one hundred and fifteen (115) hours of undergraduate credit must present 3.0 GPA both overall and in the major field. A student with one hundred and fifteen (115) hours or more of undergraduate credit, however may be admitted to the Overlap Program by presenting a 2.5 GPA overall and a 2.8 GPA in the major field.

Any student admitted to the Overlap Program must take the GRE at the earliest possible date.

When this form has been completed and all approval signatures obtained, the student should bring this form to the Graduate Office where he/she will apply for admission.
